This Regulation requires that motor carriers applying for a Charter Bus Certificate must provide proof of insurance and an acceptable safety rating. The Applicant has notified the Commission of its intent to have its insurer file proof of insurance and of its intent to file an acceptable safety rating.

Upon consideration of the Application, the representations contained therein and the documentary evidence attached thereto, the Commission finds that a Class C Charter Bus Certificate should be granted to Cathleen Williams and Coreece Williams d/b/a New Beginning Tours, conditional upon the furnishing of proof of insurance by the Applicant's insurer and on the furnishing of an acceptable safety rating.

2. That the Applicant cause to be filed with the Commission the proof of appropriate insurance and an acceptable safety rating within sixty (60) days of the date of this Order, or within such additional time as may be authorized by the Commission, pursuant to Commission Regulation 103-133(5).

Failure of the Applicant either (1) to complete the certification process by complying with the Commission requirements of causing to be filed with the Commission proof of appropriate insurance and an acceptable safety rating within sixty (60) days of the date of this Order or (2) to request and obtain from the Commission additional time to comply with the requirements of the Commission as stated above, shall result in the authorization approved in the Order being revoked.

5. That this Order shall remain in full force and effect until further Order of the Commission.
